

**boyd**visuals  
acoustics

A photograph of a room featuring teal-colored hanging acoustic panels. The panels are arranged in a grid pattern and have a series of vertical slits. A white plastic chair is positioned in the foreground on a light-colored wooden floor. The background is a plain white wall. The image is partially overlaid by a large green geometric shape in the bottom right corner.

# HANGING CARVED PANELS

# HANGING CARVED PANELS

Hanging Carved Panels are acoustic partitions designed for open plan areas where privacy or noise reduction is needed.

Designed with a range of patterns Carved Panels are lightweight, easy to install and move around if your space needs to evolve.

Choose any of the numbered designs and any colour combination to work in with your environment.

Complete with fixing kit to suspend from the ceiling.
