

BuzziNest

BuzziNest is all you need to reduce distracting noise from any workplace. BuzziNest Booth offers a private space to work and take calls, while BuzziNest Pod can accommodate up to four people to hold face-to-face meetings and collaboration without being disturbed or disturbing others, even in an open plan office. BuzziNest effectively dampens sound from every direction to create maximum peace and quiet for everyone in the office, whether you are working inside the pod or out.

Features

- Upholstered exterior and fabric panels on the interior
- Wide range of fabrics, frames, door openings, shelf and table finishes, seating options, and table heights
- Motion sensor fresh air ventilation system, automatic LED lighting system, main power outlet (230V), and two USBs (A+C)
