BuzziNest Booths and Pods

Silent workspaces anywhere.

Due to its upholstered exterior and fabric panels on the interior, the BuzziNest Pod and Booth effectively dampens sound from every direction to create maximum peace and quiet for everyone in the office, whether you are working inside the booth or out.

Available in a range of different colours and fabrics, the BuzziNest Pod and Booth will fit right into your office decor and are easy to install. Built-in castors can be suspended from the base to help move the acoustic Pod to a new spot, which can then be secured by putting it back on its feet.

BuzziNest is equipped with a top-of-the-line fresh air ventilation system, which takes air from the top and pushes air inside, down, and out through the bottom. Once you step inside, the fans engage at full capacity. As well, a motion sensor LED ceiling light turns on when BuzziNest Pod is in use and off when it's not occupied.

FEATURES

- LED ceiling light run by a motion sensor
- Fresh air ventilation system run by a motion sensor
- Acoustic panels in Felt or 3D Rib on the inside
- Fabric upholstered acoustic panel on the outside
