

Maari™

Seating Details

Maari is a family of seating offering a warm aesthetic, creating balance within a space. Maari is everywhere – providing complete comfort to support many seated activities in a variety of spaces throughout an eight-hour day. Based on a one-piece, textured, molded shell – the same for all chairs – Maari brings interiors to life through simple specification for a range of applications.

Maari Features

Maari offers a fresh, expressive design that allows for adding personality and aesthetic continuity through finishes and colors. Choose from a mix of materials, nine shell colors, and matte paint options for variety and warmth. Select colors are available for a monochromatic look with matching shell, base, and arms.

Textured Shell
• Available in 9 colors
• With or without upholstery

Arms
• Available with or without arms
• Enables a variety of workstyles

Casters or Glides
• Option available on 4-leg chair
• Provides choice in stationary or mobile activity

Maari Statement of Line

One chair, many spaces. One Shell, many bases. Maari offers numerous functional combinations in one chair line to specify in almost any setting. The statement of line is rooted in a one-piece, textured, molded shell that is the same for all chairs for simplicity of specification. Choose any base with the same shell.
