

Soji

Seating Details

From the second you sit down, Soji™ brings your body and mind into sync—so you can enjoy healthier levels of performance, no matter where you work. Soji is a highly-adjustable task chair with more ergonomic options than most task seating in its class—without sacrificing comfort or design. Soji efficiently satisfies workplace strategies for better well-being.

HAWORTH

Features

Soji offers support for a wide range of people, postures, and workstyles. With its host of ergonomic features and smoothly operating adjustments Soji provides individualized ergonomic control and comfort to promote well-being.

Back

Knit back provides support and breathability.

- Optional upholstered back in fabric, leather, or faux leather

Height-Adjustable Patented Lumbar Support Pad*

Adjusts up and down to fit the natural curvature of your spine, while concentric rings allow greater relief from pressure points.

- Adjustment Range: 3.5" (89mm)

Pneumatic Height Adjustment

Proper seat height ensures lower limb comfort by avoiding pressure on the underside of your thighs.

- Standard range: 16.4"-21" (417mm-533mm)
- Low position range: 14.75"-17.5" (375mm-445mm)

Tilt Tension Control

Regulates the amount of resistance felt when leaning back in the chair and the effort required to recline the chair backwards.

Casters

- Hard casters in black or two-tone grey, for carpeted floors
- Soft casters in black, for hard floors

Arms*

4D arms allow fluid adjustment in four directions:

- Height adjustment range: 4" (102mm)
- Side-to-side armcap adjustment range 3" (76mm) : 1.5" (38mm) per armcap
- Front-to-back adjustment range 3.5" (89mm)
- Pivoting arm caps: 20° in and 20° out (spaces after °)

Also Available

- Height-adjustable arms - 4" (102mm) range (include hyphen and colon)
- Fixed arms
- No arms

Seat

Waterfall edge minimizes pressure on the back of your legs for improved circulation.

- Flexible seat pan with upholstered foam
- Available as a fixed seat or with seat-depth adjustment

Forward Tilt*

Allows seat pan to move downward from the initial position to vary your posture throughout the day.

- 5° downward
- Only available on chair with seat depth adjustment

Back Lock*

Lets you select an upright posture with no recline.

Single position back stop

Seat Depth Adjustment *

2.5" (63.5 mm) range

Synchro Tilt Mechanism

Synchronized to deliver greater control for more users.

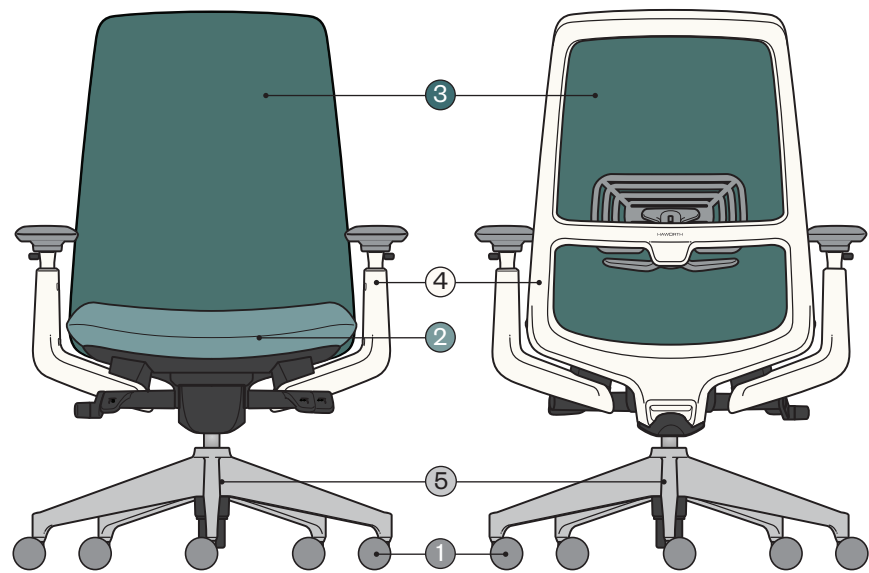

- Back reclines - 23° from upright position

*Optional
