Task Seating

ALOHA ACTIVE

The Intuitive Seating Experience.

Sleek looks and an amazing new performance that's wholly comfortable.
The new affordable task-chair hero in the workplace.

Haworth has leveraged its experience as leader in task-seating to combine the latest in comfort and technology. Aloha Active makes task-seating more instinctive and fit-for-purpose.

Aloha Active provides well-considered design and a revolutionary weight-activated mechanism to maximise your seating experience without compromise of quality and comfort.

24/7 WORKHORSE

Quality comes first. Haworth's design and innovation brings together decades of engineering excellence in task-seating.

Designed to work as hard as you do, **Aloha Active** comes with Haworth's unbeatable 10-year, 24/7 warranty for added peace of mind.

STYLE PERSONIFIED.

Aloha Active segues fluently across your workspace with a wider range of style options. This revolutionised task-chair gives greater choice to articulate your style.

Customise your look with six striking mesh shades, two plastic trim colors (black or fog), two bases (standard black and fog plastic or optional polished aluminum) and standard hard castors in black and two-tone, or optional soft castors.

Aloha Active creates unique and innovative workspaces.

THE SWEET SPOT

Smarter, smoother and more comfortable, Aloha Active is the perfect balance of price and performance. Enjoy a seating experience that is more intuitive and comfortable, made easier to sit with fewer adjustments.

A more comfortable seat pan, height adjustable 4D arms, a back that locks to three positions plus an optional adjustable lumbar support, means Aloha Active can be tailored to a wider range of body types and working styles.

Aloha Active supports you to do your best work, every way.
