Hotbox 1

Stand out anywhere.

Hotbox 1 is a vibrant and practical agile worktool embodying our key principles: mobility, organisation and personality.

Perfectly crafted and compact, the lightweight Hotbox 1 makes it easy to move around the workplace. Its smart design keeps you organised wherever you choose to work and means it is just the right size for storing and transporting your important desktop items – your notebook, tablet, coffee cup, pens, sticky notes and snacks. Available in a variety of vibrant colours, you can express yourself with a Hotbox 1.

Why Hotbox is vital to the agile workplace.

For a seamless agile workplace, your people have to move quickly and easily around the space. If people cannot take their work tools with them from their locker to any chosen workspace, they are simply unable to become the agile workers they aspire to be.

With Hotbox, the agile workplace flows. Hotbox is the vital link in the chain, without which the agile workplace will just not operate.
