

# DeskMate Work Bag

Stay organised, wherever work takes you.

DeskMate Work Bag is built with sufficient space for all your office essentials and belongings including dedicated space for a laptop. The large internal volume means you can fit large keyboards or and documents up to A3 size and provides a dedicated spot for your water bottle and personal items.

With a quick-access compartment that turns the bag into your stationary panel, this self-standing Work Bag can be placed on your desk and used as an organizer.

DeskMate Work Bag features a detachable shoulder strap with padding and adjustable cotton handles to ensure comfort and durability in and out of the office and to give you variety in how you carry it.

Secure your belongings with two closure options for added peace of mind. DeskMate bumps up your mobility, delivers on sustainability, and lets you stay organised, wherever work takes you.
