

Float Meeting Room Chair

Meeting and touchdown seating

The Eden Float Chair is a contemporary seating solution designed for modern meeting and collaborative spaces. Its seamless mesh structure and lightweight yet durable fibreglass frame deliver exceptional support while maintaining a sleek, minimalist aesthetic.

Engineered for comfort and flexibility, Eden Float features a lockable floating tilt mechanism, gas-lift seat height adjustment, and an aluminium 5-star base in matte black finish. This combination ensures smooth movement, ergonomic support, and lasting durability for high-use environments.

Perfect for boardrooms, training rooms, and dynamic workspaces, the Eden Float Chair blends style, functionality, and performance—making it an ideal choice for professionals who value comfort and design.
