

ETON

Simplicity with Bold Presence

The Eton Chair is a statement in simplicity—bringing contemporary elegance and comfort to breakout and reception spaces. Its clean lines and tailored upholstery create a sophisticated presence that enhances any modern interior.

Available in high-back and mid-back versions, Eton offers flexibility to suit your space. Upholstered in premium Keylargo fabric with additional options available on request, it features a high-comfort moulded foam shell for superior support. Choose between a sleek swivel 4-point base or a natural timber base for a refined finish.
