

Media Boardroom chair

Sleek Form, Superior Support

The Media Boardroom Chair is a smart, ergonomic seating solution designed for modern meeting spaces. Featuring a breathable mesh back for ventilation and a dynamic synchro tilt mechanism, it ensures the back and seat tilt together for natural movement and comfort.

Upholstered in durable black fabric, this chair combines contemporary styling with practical functionality. It includes a star base with castors for easy mobility and removable height-adjustable armrests for personalized support.

Warranty

- 5 Years
