

ORLO

Versatile, Stylish, Built Strong

The Eden Orlo Chair is the perfect blend of contemporary style and functional design. Crafted from fine solid Ash timber, it offers durability and a natural aesthetic that complements any space. Its supportive curved backrest and finely shaped seat provide comfort for extended sitting, while the stackable design makes it a practical choice for dynamic environments.

Ideal for restaurants, cafés, breakout rooms, collaboration spaces, and home interiors, Orlo combines simplicity, comfort, and versatility. When not in use, it stacks up to four chairs high, saving valuable space without compromising on style.
