

# Vista Modular soft seating

## Flexibility Meets Modern Design

VISTA by Welwood redefines office seating with a modular design that blends versatility and simplicity for modern workspaces. Its customisable configurations—curved or straight units with high, low, or no back options—encourage collaboration and flexibility, making it ideal for dynamic environments. Proudly 100% New Zealand made and certified under the 'Buy New Zealand Made' initiative, VISTA reflects authentic local craftsmanship. Choose from multiple leg styles, including sleek glides, powder-coated sleigh legs, or bold Borsari legs, to suit your aesthetic. Designed for adaptability and interaction, VISTA is the perfect solution for creating productive, contemporary spaces.
