

## Posy Ottoman

Soft. Strong. Stylish Seating.

POSY is a premium ottoman designed for comfort, durability, and style. Featuring high-comfort, soft-feel upholstery with tailored finishing, it combines elegance with robust construction. The moulded polyurethane body is reinforced with steel for strength, ensuring long-lasting performance in commercial environments. With a seat height of 450 mm and a diameter of 680 mm, POSY offers generous proportions while maintaining a sleek profile.

Upholstered in New Zealand using your choice of fabric, it supports a wide range of options, including medium-weight fabrics with multi-directional stretch, select vinyls, and leathers rated for heavy commercial use (40,000+ Martindale rubs). POSY is backed by a 10-year warranty under normal commercial use and accommodates a recommended maximum user weight of 140 kg.

Certified GreenGuard Gold for low chemical emissions, it meets stringent health-based criteria, making it ideal for schools, healthcare facilities, and workplaces. Made in Italy and finished locally, POSY delivers exceptional quality, environmental responsibility, and timeless design.
