

SPECTRUM Ergonomic Task Chair

Ergonomics Meets Everyday Comfort

The Spectrum 3 is our best-selling classic-style ergonomic task chair, designed for superior comfort and long-lasting support. Featuring a uniquely contoured high backrest with powerful lumbar support and a sculpted seat for enduring comfort, Spectrum 3 is built to keep you performing at your best throughout the day.

Its heavy-duty, multi-adjustable mechanism offers complete control over back angle, seat angle, and height, while the knob-adjustable backrest ensures optimal lumbar positioning. Upholstered to order in your choice of over 30 colours, Spectrum 3 combines ergonomic excellence with style flexibility.
