

Screenliner

Your Space, Your Way

Screenliner is a cost-effective, premium workstation screen designed to make your staff enjoy being at work. Inspired by aeronautical and automotive interiors, it transforms traditional desks into personal cabin spaces that combine comfort, functionality, and style.

Key Features

- **Acoustic Privacy:** Creates a quiet, focused environment for productivity.
- **Integrated Storage:** Keep essentials like phones, glasses, and headsets organized.
- **Smart Power Solutions:** Built-in power outlets, inductive charging, and concealed cable management.
- **Ambient Lighting:** Enhances workspace aesthetics and reduces eye strain.
- **Hidden Monitor Supports:** Height-adjustable for ergonomic perfection without clutter.
- **Wire Management & Modesty Panel:** Segregated power and data cables with easy access.
- **Agile Work Ready:** Includes wayfinding identification badges for flexible seat allocation.
