

Team Air 135 Drafter

Ergonomics Built to Last.

The Team Air 135 Drafter is part of our best-selling ergonomic chair range, designed to deliver exceptional support and durability at a competitive price. Perfect for high-performance work environments, this chair combines advanced ergonomics with robust construction to keep you comfortable and productive all day.

Featuring a breathable mesh back for superior airflow and a generous, contoured seat that accommodates a wide range of body types, Team Air 135 ensures lasting comfort and healthy posture. Its ergonomic design promotes movement and reduces fatigue, making it ideal for demanding tasks and extended use.

Built to withstand tough conditions without compromising on comfort, Team Air 135 Drafter is the smart choice for workplaces that value quality, reliability, and performance.
