

Clove

Refined Guest Comfort

The CLOVE Visitor and Meeting Seating range is a versatile seating solution designed for comfort, strength, and timeless aesthetics in commercial environments. Featuring comfortable cushioning with generous shaping, CLOVE provides supportive seating ideal for meetings, waiting areas, and collaborative spaces.

Its black steel tube frame ensures durability and stability, while tailored upholstery finishing enhances its refined, professional appearance. Upholstered as standard in Oatmeal, Warm Grey, or Moss polyester fabric, CLOVE complements a wide range of interior styles.

Engineered for long-term use, CLOVE offers a recommended maximum user weight of 140kg and comes with a 10-year warranty for normal commercial use, making it a dependable choice for high-traffic settings.
