

Proceed Tambours

Tambour office cabinet with sliding doors

Europlan proudly offers a wide selection of office storage solutions to meet your needs. Our full range includes tambour cabinets and storage lockers designed to enhance organisation and space usage efficiency. From small offices to large corporate spaces, our high-quality storage units come in all shapes and sizes and can suit various settings and requirements.

Manufactured with steel construction and equipped with ABS sliding doors, Proceed Tambours ensure durability and security for your stored items. Fully powder-coated in Matt Black or Mannex White, these units exude a sleek and professional aesthetic, seamlessly complementing any office environment. With levelling feet for added stability, Proceed Tambours offer peace of mind knowing your belongings are safely stored away.

Explore Europlan's full range of office locker systems, locker cabinets, and metal lockers, designed to provide safety and secure storage for your team's belongings. Whether you need storage for bikes, clothing changes, or end of journey storage, our design-led solutions ensure that your office space remains organised and secure.
