

Tidal Premium

Electric sit to stand height adjustable desk

The Tidal Premium Electric Height Adjustable Desk provides unmatched stability and comfort, effortlessly fitting into any work environment to encourage active movement all day. This highly functional desk enables users to smoothly switch between sitting and standing postures, promoting ergonomic comfort and mitigating the negative impacts of extended sitting.

Tidal Premium features a telescopic frame that allows for a range of desktop sizes to suit individual requirements and office layouts. Equipped with programmable memory settings, user-friendly controls, and a modern design, the Tidal Premium Electric Height Adjustable Desk enables users to enhance their efficiency and health in today's workplace.

Selecting the right desk solution for your workspace doesn't have to be daunting, with Europlan, you can rest assured that you'll find the ideal solution for your needs and budget. Whether you require a standing desk, a fixed height office desk, a home office desk, we've got you covered.

As a leading provider of commercial office furniture and interior fit-out solutions in NZ, we prioritise understanding how people work and interact within their environment. Our expert team is dedicated to using office furniture to enhance productivity, facilitate collaboration, reduce distractions, and foster a positive workplace culture. With features like electric height adjustment, the Tidal Premium Electric Height Adjustable Desk promotes ergonomic comfort and adaptability, ensuring your workspace evolves with your needs.
