

Europlan Lockers

Ideal for general staff locker needs

Europlan Lockers are constructed from steel with a powder coat finish. Lockers feature ventilation slots to ensure food airflow and can be grouped individually or banked together.

Europlan Lockers are ideal for installation into factories, warehouses, sports centers, schools, tertiary facilities and offices.

Europlan Lockers are available in widths of 300mm and 375mm and in door options ranging from single to four door.
