

Natural simplicity & human friendly

Tibas is a modular desk and table system that features a broad range of components and offers many solutions for satisfying a wide range of needs. The Tibas system features a clean design that fits seamlessly into all work place environments in both table and bench configurations.

Tibas offers creative scope for workstations, meeting & conference tables. Share a single leg for two tops, saving space and cost.

- Rectangular Desk
- Workstation
- L Shaped Desk
- Meeting Table

Tibas is also almost fully recyclable when it reaches the end of its long life. Manufactured in an ISO 14001 certified facilities with zero waste to landfill and optimised logistics to save on resources and packing materials. Tibas comes with Greenguard Certification.
