

Tibas Desk

Collaborative and Human-Friendly Office Desks for Modern Workspaces

Tibas is a modular desk system that offers many solutions for varying workplace needs, including workstations, meeting and conference tables, and rectangular desks. Its clean design integrates smoothly into any workspace. With options like sharing a single leg for two tops, Tibas helps save on space and costs, making it a smart choice for both home and open-plan office desks.

Tibas is manufactured in ISO 14001-certified facilities with zero waste to landfill, supporting sustainability with Greenguard Certification. When its long life comes to an end, Tibas is almost fully recyclable, ensuring a lasting commitment to the environment.

Selecting the right desk solution for your workspace doesn't have to be daunting, with Europlan, you can rest assured that you'll find the ideal solution for your needs and budget. Whether you require a standing desk, a fixed height office desk, a home office desk, we've got you covered.

Europlan proudly stocks products from the globally renowned international office furniture brand Haworth. Discover the best desks and workstations in Aotearoa NZ by exploring our office furniture showrooms, located in Auckland, Christchurch, and Wellington.
