

Luca Bar Leaners

Stylish & commercial

The Luca Leaner range is designed and manufactured in New Zealand and can be customised to suit a variety of size requirements.

Luca Leaners are available in the following top options

- Round
- Square
- Rectangle

Choose from standard frame sizes and top finishes or customise your leaner to suit your specific requirements. Leaner frames are manufactured in mild steel with a standard powdercoat finish

Luca Leaners come standard with adjustable glides to deal with uneven floors, or optional braked castors on request.
