

Haworth Nia Chair

Ergonomic office chair for focus and productivity

Meticulously designed by Haworth Design Studio, the high-quality Haworth Nia Chair marks a paradigm shift in office furniture. The Haworth Nia Chair transcends typical office desk chairs and delivers a functional and sophisticated experience that you won't find in traditional office furniture.

While the Haworth Nia Chair may appear simple from the outside, it conceals a high level of scientific precision, engineering, and innovation with the ability to fine-tune settings for both comfort and fit, making this the ideal task chair for sustained, focused work.

Europlan proudly stocks the globally renowned furniture brand Haworth, alongside our own range of exceptional commercial office furniture. Experience the best office chairs in Aotearoa NZ and explore our office furniture showrooms which have a wide range of comfortable seating solutions, located in Auckland, Christchurch, and Wellington.
