

Yellowbox Smart Locker System

Simple to use. Easy to manage. Incredibly smart.

The versatility of the Yellowbox system makes it suitable for a wide range of applications. Safeguard personal items in metal lockers, store important documents in office storage cabinets. Its intuitive design guarantees a user-friendly experience, making it the ideal choice for businesses looking for smart locker or office locker systems.

With Yellowbox, there is no need to download multiple apps. Access and manage your workplace locker through Microsoft Teams or your existing company workplace app, enjoying the same incredible user experience as the Yellowbox app.

The future of office storage, wWe've made it easy for your system administrators to conveniently integrate Yellowbox into your existing organisation apps.

Europlan's commitment to excellence is reflected in every aspect of the Yellowbox Smart Locker System. From the high-quality metal lockers to cutting-edge office locker systems, every component is designed with the modern office in mind. Say goodbye to traditional storage methods and welcome a new era of smart locker technology with Yellowbox.
