Loria Chair

Sleek style. Many Uses.

During the production processes, maximum attention is paid to reducing the consumption of raw materials, rationalising resources, reusing and/or recycling waste, and controlling emissions. Making durable products, both aesthetically and in terms of resistance, is the key element in guaranteeing sustainability. right from its design, the Loria collection is conceived to be disassembled when a component is replaced, in order to limit its consumption.

The Loria collection is made from high quality, recyclable and environmentally friendly raw materials. The colour 'Taupe' is made of polypropylene recycled 50% from post-consumer plastic waste and 50% from post-industrial plastic waste. The post-consumer plastic waste comes from products previously used by consumers, such as plastic bottles or food packaging. The industrial component comes from waste plastics, containers and plastic films.

Dimensions

4-LEG BASE

Back height -785mm
Seat height - 440mm
Width - 475mm
Depth - 475mm

SLED BASE

Back height - 785mm
Seat height - 440mm
Width - 540mm
Depth - 500mm

FIXED HEIGHT SWIVEL

Glides

Back height - 785m
Seat height - 440mm
Width - 520mm
Depth - 520mm

Castors

Back height - 785mm
Seat height - 440mm
Width - 530mm
Depth - 540mm

HEIGHT ADJUSTABLE SWIVEL

Glides

Back height - 785 - 885mm
Seat height - 440 - 540mm
Width - 520mm
Depth - 520mm

Castors

Back height - 785 - 885mm
Seat height - 440 - 540mm
Width - 530mm

Warranty

- 10 Year warranty

Features

- Sustainable design
- 4 shell colours
- Upholstered seat and back options
- 140kg weight load capacity

Shell Colours

- Black
- Navy
- Taupe – 100% recycle PP
- Lichen

Base Options

- 4-Leg PP base
- Powder coated steel sled base
- Fixed height swivel base – glides or castors
- Height Adjustable Swivel base – glides or castors
